

Unique industrial opportunity available at YEG Edmonton International Airport

YEG Edmonton International Airport is Canada's largest airport by land size and uses its land holdings to strategically drive economic opportunities for the Edmonton Metropolitan Region. YEG's Airport City Sustainability Campus is a living lab for accelerating the development, testing, implementation, and commercialization of technology.

YEG's Airport City Sustainability Campus propels new jobs, tourism, and economic diversification - featuring entertainment, e-commerce, retail, hospitality, cargo/logistics, bio-pharma, light manufacturing and many other industries.

Surrounded by a multitude of amenities including Premium Outlet Collection, Costco, personal services, and more

Immediate access to the QEII Highway and YEG International Airport

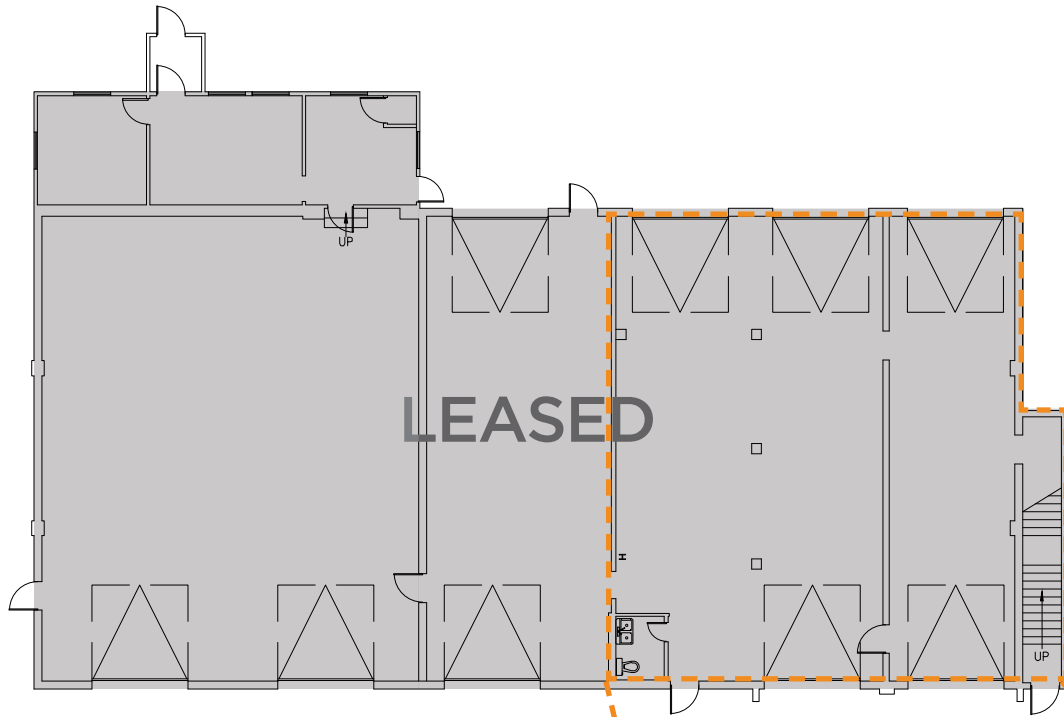

Ideal for a small-bay tenant
